# *Fresh* CONTENT

We know posting the same thing is boring although quick, is not the best ROI for your time or your customer

*Create and post your digital assets with purpose*

# INCREASE ENGAGEMENT *Variety*

Keep your content fresh and  
*interesting*

Use your posts to do more than  
*announce sales, a few ideas:*

# *Look* PROFESSIONAL

---

Selfies are great!

We like the homey, raw, in the moment feel

A tropical beach scene with palm trees and a sign that reads "WELCOME TO Air B&B by the Sea". The sign is in a light blue, cursive font. The background shows a sandy beach, palm trees, and a blue ocean under a clear sky.

WELCOME TO

*Air B&B  
by the Sea*

---

But professional gets noticed!

We know we are automatically drawn to well-organized, well planned content

*Don't make  
the mistake of being  
"too real"*

# *Our* PROCESS

- 1** Free Zoom call to meet & hear you  
We want to make sure we can assist, understand your preferences and challenges and do a design session

- 2** Proposal & Approval  
We will create your prototypes for approval, then create your assets for the month

- 3** Begin posting!!  
You decide the days, upload and schedule all at once then sit back and relax

# *Our Just Post* PHILOSOPHY

One can become easily overwhelmed  
with the social media process

At Breach **Revelation**, we serve those who seek a quick  
and cost-effective way to have **assets** to post without  
the agency oversight

Just quick, attractive assets for your posting needs

Usually **creating** a month's worth of ads inside 72-hours

## Challenges

- Ads are seen for 1-30 seconds
- High frequency is needed to keep customers **engaged**
- Customization can be time-consuming
- Sometimes you need a post **outside** a schedule; Flexibility is key

## Costs

- Photography
- Scheduling
- Integration
- Maintaining Quality
- Metrics Aggregation
- Influencer Negotiations
